INFORMATION STATEMENT

GENERAL INFORMATION

In this Information Statement, we refer to Medovex Corp., a Nevada corporation, as the “Company,” “we,” “us,” or “our.”

The Information Statement is furnished in connection with an action by written consent (the “Written Consent”) of the holder of a majority of the Company’s issued and outstanding voting capital stock (the “Majority Shareholder”). The actions taken by the Written Consent will not become effective until at least 20 business days after the Information Statement is sent or given to our shareholders in accordance with the requirements of the rules of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The close of business on January 25, 2019 is the record date (the “Record Date”) for the determination of shareholders entitled to notice of the action by the Written Consent.

Pursuant to the Written Consent, the Majority Shareholder approved i) an amendment to our Amended Articles of Incorporation to increase the total number of shares of authorized capital stock to two hundred million (200,000,000) shares consisting of (a) one hundred ninety nine million (199,000,000) shares of Common Stock and (b) one million (1,000,000) shares of Preferred Stock from one hundred million (100,000,000) shares consisting of (a) ninety nine million (99,000,000) shares of Common Stock and (b) one million (1,000,000) shares of Preferred Stock (“Increase in Authorized Capital”); and ii) an amendment to our Amended Articles of Incorporation to change the name of the Corporation from Medovex Corp. to Blue Zone Health Corp. (“Name Change”) and the authorization to the CEO of the Company to file such amendment to effect the Name Change at the time he deems appropriate.

Our Board of Directors unanimously approved the amendments to our Amended Articles of Incorporation on January 9, 2019. On January 22, 2019, the Board of Directors set the Record Date as January 25, 2019.

This Information Statement contains a brief summary of the material aspects of the Proposals approved by the Board and the Majority Shareholder.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

ABOUT THE INFORMATION STATEMENT

What is the Purpose of the Information Statement?

This Information Statement is being furnished to you pursuant to Section 14 of the Exchange Act to notify our shareholders of certain corporate actions taken by the Majority Shareholder pursuant to the Written Consent. In order to eliminate the costs and management time involved in obtaining proxies and in order to effect the Proposal as early as possible to accomplish the purposes hereafter described, the Board elected to seek the written consent of the Majority Shareholder to reduce the costs and implement the Proposal in a timely manner.

Who is Entitled to Notice?

Each outstanding share of the Company's voting securities on the close of business on the Record Date will be entitled to notice of the actions to be taken pursuant to the Written Consent.

What Constitutes the Voting Shares of the Company?

The voting power entitled to vote on the Proposals consists of the vote of the holders of a majority of the Company's voting securities as of the Record Date. As of the Record Date, the Company's voting securities consisted of 24,717,271 shares of Common Stock, 9,250 shares of Series B Preferred Stock and 39,772 shares of Series C Preferred Stock. Each share of Common Stock is entitled to one vote per share on matters submitted to the Stockholders. Holders of shares of Series B Preferred Stock and Series C Preferred Stock vote together with the holders of Common Stock on all matters and do not vote as a separate class. A share of Series B Preferred Stock is entitled to the number of votes that equals the number of shares of Common Stock into which such share of Series B Preferred Stock is then convertible. A share of Series C Preferred Stock is entitled to 1,000 votes on a convertible basis.

What Vote is Required to Approve the Proposals?

The affirmative vote of a majority of the voting stock outstanding on the Record Date is required for approval of the Proposals. As of the Record Date, the Company's voting securities consisted of 24,717,271 shares of Common Stock, 9,250 shares of Series B Preferred Stock and 39,772 shares of Series C Preferred Stock. However, because the Majority Shareholder held 39,772 shares of Series C Preferred Stock as of the close of business on the Record Date, which entitled the Majority Shareholder to an aggregate of approximately 61.67% of the outstanding voting power, and through their consent voted in favor of the Proposals, no other shareholder consents will be obtained in connection with this Information Statement.

PROPOSAL 1

AMENDMENT TO THE AMENDED ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED CAPITAL STOCK TO 200,000,000 SHARES, CONSISTING OF 199,000,000 SHARES OF COMMON STOCK AND 1,000,000 SHARES OF PREFERRED STOCK

The Company's Articles of Incorporation authorize the issuance of 99,000,000 shares of Common Stock, par value \$0.001 per share, and 1,000,000 shares of Preferred Stock, par value \$0.001 per share. On January 9, 2019, the Board of Directors of the Company approved an amendment to the Articles of Incorporation to increase the total number of shares of authorized capital stock to 200,000,000 shares consisting of (i) 199,000,000 shares of Common Stock, par value \$0.001 per share, and (ii) 1,000,000 shares of Preferred Stock, par value \$0.001 per share, all subject to shareholder approval.

Purpose and Effect of the Amendment

As of Record Date, the Company had 24,717,271 shares of Common Stock issued and outstanding. As of Record Date, the Company had 9,250 shares of Series B Preferred Stock and 39,772 shares of Series C Preferred Stock, issued and outstanding.

The Board of Directors believes it continues to be in our best interest to have sufficient additional authorized but unissued shares of Common Stock and Preferred Stock available in order to provide flexibility for corporate action in the future. In addition, the Company requires additional shares to be able to accommodate the conversion or exercise of all currently outstanding derivative securities and to fulfill its contractual requirements to reserve a sufficient number of shares of Common Stock to honor such conversions, if they are made. Management believes that the availability of additional authorized shares for issuance from time to time in the Board of Directors' discretion in connection with possible acquisitions of other companies, future financings, investment opportunities, stock splits or dividends or for other corporate purposes is desirable in order to avoid repeated separate amendments to our Articles of Incorporation, as amended, and the delay and expense incurred in holding special meetings of the shareholders to approve such amendments.

Following adoption of the Amendment, the total number of authorized shares of Preferred Stock shall remain one million (1,000,000) shares, with par value of \$0.001 per share. The board of directors shall have the authority to authorize the issuance of the Preferred Stock from time to time in one or more classes or series. As of January 25, 2019, there were 45,000 authorized shares of Series A Preferred Stock, 10,000 authorized shares of Series B Preferred Stock, and 45,000 authorized shares of Series C Preferred Stock.

On October 18, 2018, the Company entered into an asset purchase agreement (the "Asset Purchase Agreement") with Regenerative Medicine Solutions, LLC ("RMS"), Lung Institute LLC, RMS Lung Institute Management LLC, Cognitive Health Institute Tampa, LLC, RMS Shareholder, LLC and RMS Acquisition Corp. ("Buyer," and collectively, the "Parties"). Pursuant to the terms of the Asset Purchase Agreement, Buyer shall purchase all of the assets of Regenerative Medicine Solutions LLC, Cognitive Health Institute Tampa, LLC, Lung Institute LLC and RMS Lung Institute Management LLC (collectively the "Sellers"). As consideration, Buyer shall (i) deliver to Sellers (x) 583,333 shares of Common Stock of the Company, (y) 39,772 shares of Series C Preferred Stock of the Company ("Series C Preferred Stock"), and (z) "Additional Exchange Shares" as defined by Section 2.05(f) of the Asset Purchase Agreement; and (ii) assume certain liabilities as provided in Section 2.03 of the Asset Purchase Agreement. As further consideration, the Company shall pay RMS the sum of \$350,000.

On January 8, 2019, the Company consummated the Asset Purchase Agreement and delivered 39,772 shares of Series C Preferred Stock and the cash payment. The 583,333 shares of Common Stock have not yet been issued until certain post-closing conditions are met.

The issuance of such Series C Preferred Stock could adversely affect the rights of the holders of our Common Stock, and therefore reduce the value of such stock. It is not possible to state the actual effect of the potential future issuance of any series of Preferred Stock on the rights of holders of our currently outstanding stock unless and until our Board of Directors determines the specific rights of the holders of any such additional Preferred Stock; however, these effects may include:

- Restricting dividends on the Common or Preferred Stock;
- Diluting the voting power of the Common Stock;
- Impairing the liquidation rights of the Common or Preferred Stock; or
- Delaying or preventing a change in control of the Company without further action by the shareholders.

The increase in the authorized number of shares of Common Stock and Preferred Stock could have an anti-takeover effect. If the Company's Board of Directors desire to issue additional shares in the future, such issuance could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary corporate transaction opposed by the Company. Because the authorization of "blank check" Preferred Stock could be used by our Board of Directors for the adoption of a shareholder rights plan or "poison pill," the Preferred Stock may be viewed as having the effect of discouraging an attempt by another person or entity to acquire control of us through the acquisition of a substantial numbers of shares of Common Stock.

PROPOSAL 2

AMENDMENT TO THE AMENDED

ARTICLES OF INCORPORATION TO CHANGE THE COMPANY'S NAME FROM MEDOVEX CORP. TO BLUE ZONE HEALTH CORP. AND AUTHORIZATION TO THE CEO OF THE COMPANY TO FILE SUCH AMENDMENT TO CHANGE THE NAME OF THE COMPANY AT THE TIME THE CEO DEEMS APPROPRIATE

The Company believes that, in light of the Buyer's acquisition of all assets of the Sellers pursuant to the Asset Purchase Agreement, the Company's operating entity, in the reverse merger transaction, the Name Change would be in the best interests of the Company because it would more accurately describe the Company's business. The Board of Directors approved an amendment to the Company's Amended Articles of Incorporation to change the Company's name from Medovex Corp. to Blue Zone Health Corp. On January 9, 2019, the Majority Shareholder ratified the amendment with regard to the Name Change and authorized the CEO of the Company to effect the Name Change at the time he deems appropriate. The Name Change will become effective immediately upon the filing of the Amendment with the Office of the Secretary of State of Nevada, at which time the Company will also change its name on the Over the Counter Markets Group (the "OTC"). The filing will be made at the discretion of the CEO of the Company but not prior to the date that is twenty (20) days after the date this Information Statement is first sent to shareholders.

A copy of the proposed amendment to the Company's Amended Articles of Incorporation is attached hereto as Exhibit A as if the CEO of the Company decided to effect the Name Change at the time when the Company effected the Increase in Authorized Capital. The amendment will become effective upon filing with the Nevada Secretary of State as required by the Nevada Revised Statutes. It is anticipated that this will occur not less than 20 days following the first date this Information Statement is first sent to the shareholders.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of January 25, 2019, the number of and percent of the Company's Common Stock and series of Preferred Stock beneficially owned by: (1) all directors and nominees, naming them; (2) our executive officers, naming them; (3) our directors and executive officers as a group, without naming them; and (4) persons or groups known by us to own beneficially 5% or more of each class of our voting securities.

A person is deemed to be the beneficial owner of securities that can be acquired by him within 60 days from January 25, 2019 upon the exercise of options, warrants or convertible securities. Each beneficial owner's percentage ownership is determined by assuming that options, warrants or convertible securities that are held by him, but not those held by any other person, and which are exercisable within 60 days of January 25, 2019 have been exercised and converted.

Unless otherwise indicated, the address of all listed stockholders is c/o MEDOVEX, 3060 Royal Boulevard South Suite 150, Atlanta, Alpharetta 30022. Unless otherwise indicated each of the stockholders listed has sole voting and investment power with respect to the shares beneficially owned, subject to community property laws where applicable.

(1) We have determined beneficial ownership in accordance with the rules of the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. In addition, the rules include shares of Common Stock issuable pursuant to the exercise of stock options or warrants, or the conversion of convertible promissory notes, that are either immediately exercisable or convertible, or that will become exercisable within 60 days after January 25, 2019. These shares are deemed to be outstanding and beneficially owned by the person holding those options, warrants or convertible promissory notes for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

(2) The percentage of shares beneficially owned is based on 24,717,271 shares of our Common Stock, 9,250 shares of Series B Preferred Stock and 39,772 shares of Series C Preferred Stock, issued and outstanding, as of the Record Date.

(3) James St. Louis is deemed the beneficial owner of 39,772 shares of Series C Preferred Stock held by RMS Shareholder, LLC.

Employment Agreements

The Company entered into Employment and Confidential Information and Inventions Assignment Agreements (the “Confidentiality Agreement”) with each of its five officers mentioned above. These agreements are identical with the exception of the salary amount in the Employment Agreement.

The Confidentiality Agreement, among other things, obligates each officer not to disclose Confidential Information (as defined in the Agreement) for a period of 5 years after their last date of employment. It commits the employee to assign any work product developed at MedoveX to the Company and assist with obtaining patents for that work as necessary. It contains a provision prohibiting employees from soliciting clients or hiring Company personnel for a period of 2 years after their separation.

The Employment Agreements are for a term of three years and define the compensation and benefits each employee will receive when they start employment. They also define the circumstances for and the effect on compensation and benefits under the following scenarios:

- a. Termination without cause
- b. Termination upon death or disability
- c. Termination by the Company for cause
- d. Termination by the employee for good reason, including material diminishment of position, demands to move or change in control of the Company
- e. Termination by the Company without cause, upon disability or by employee with good reason
- f. Termination for other reasons

If the Company terminates without cause or the employee terminates with good reason, the employee continues to collect his salary and benefits for 6 months after termination. The Confidentiality Agreement also contains a non-compete clause prohibiting the employee from competing with the Company for 1 year after their separation. Currently none of the Confidentiality Agreements is in effect. None of the officers referenced above in the Summary Compensation Table had an active employment agreement at the time of this information statement.

On October 9, 2018, the Company entered into an employment agreement (the “Horne Employment Agreement”) with William E. Horne pursuant to which Mr. Horne serves as the Company’s President and Chief Executive Officer. The Horne Employment Agreement is for a term of five (5) years subject to additional one year renewals. The Horne Employment Agreement provides for a monthly base salary of \$54,166 (\$650,000 on an annualized basis) if he does not receive full salary from Laser Spine Institute; however, if he receives his full salary from Laser Spine Institute, the Horne Employment Agreement provides for a base salary of \$41,666 per month (or \$500,000 on an annualized basis). Mr. Horne is also eligible to participate in any discretionary or incentive bonus program approved by the Company’s Compensation Committee. Mr. Horne shall also be entitled to receive incentive stock options and restricted stock awards equal to 7% of the Company’s issued and outstanding Common Stock, as of the closing date of the Asset Purchase Agreement dated October 18, 2018 between the Company and Regenerative Medical Solutions, Inc.

On October 9, 2018, Mr. Jarrett Gorlin resigned as the President and Chief Executive Officer effective immediately. On October 25, 2018, Mr. Jarrett Gorlin was awarded 323,810 shares of Common Stock in the Company as part of a negotiated separation package.

In August 2017, the Board authorized the issuance of shares of Common Stock to all Board members, both current and former, in an amount equivalent to \$135,000, representing their accrued but unpaid directors’ fees as of September 30, 2017. On October 3, 2018, the Board approved the issuance of shares of Common Stock in lieu of cash payments due to certain directors and officers of the Company. A total of 1,090,412 shares were issued to certain officers and directors as follows:

- 1) Each of the former non-employee directors was issued 35,578 shares and as a result, a total of 320,202 shares were issued to all former non-employee directors.
- 2) The following former executives received shares of the Company’s common stock in lieu of cash due for the 2017 bonus awards in the following amounts:

c.	Jesse Crowne	78,545
d.	Jeffery Wright	61,091
e.	Un-named executive officers (2 persons)	178,909

On October 9, 2018, Mr. Jarrett Gorlin resigned as a member of the Board, effective immediately. On October 15, 2018, Directors James R. Lawson, Randal R. Betz, John C. Thomas, Jr., James R. Andrews, Clyde A. Hennies, Jon Mogford, Scott Haufe and Jesse W. Crowne, this being all Board members except for Larry W. Papasan, tendered their resignations to Mr. Papasan, Co-Chairman of the Board. Mr. Papasan then invited newly appointed President and Chief Executive Officer, William E. Horne, to join the Board as Chairman. Mr. Horne accepted, and Mr. Papasan tendered his resignation to Mr. Horne, leaving Mr. Horne as the sole director of the Company at that time. On January 8, 2019, the Board appointed Michael Yurkowsky and Raymond Monteleone as two new members to the Board.
